

GET READY . . . ^{FOR} CAMP MPACT

IMPORTANT CAMP MPACT NOTES

- If your camper becomes ill and cannot attend camp that day, you may reschedule. There is a \$5 per child/per day change fee for this service.
There are no credits or refunds.
- If space allows, same day registration is permitted. There will be a day of reservation fee of \$5 added to regular camp charges.
- AM Before Care and PM After Care should be reserved in advance. Same day space is limited and not guaranteed. If space is available, Before Care will be \$10 and After Care will be \$20 per camper.
- Campers with specific allergies must bring medication to the MPACT front desk, LABELED with your campers name on it. Any allergies should have been listed during the registration process, but regardless, please notify MPACT Staff of your camper's allergy issues. Your camper will be given a green wrist band to wear on their wrist with their specific allergy listed. We are a peanut sensitive camp and take great precautions to wash all hands before and after meals & snacks as well as wiping down all tables before and after use. But we do not prohibit peanuts or peanut byproducts from within MPACT'S facilities.
- MPACT Sports is not responsible for lost or stolen items. Please label everything! We collect a large amount of clothing, water bottles and lunch boxes during camp. Please check our lost & found box located near the MPACT front desk if necessary.
- Each family must pay a one-time \$65 family registration fee which pays for all craft supplies as well as a Camp MPACT t-shirt.
- In the case of an accident, an accident report will be written, ice will be given, and you will be notified at check-out.
