CAMP MPACT POLICIES & PROCEDURES

We intend to help every child enjoy their camp experience while also making them aware that they are responsible for their actions. With prior knowledge of our basic rules of safety and good conduct, each camper will be taught how to exercise self-discipline and to know we are here to help them and want them to succeed.

MINI'S RESTROOM POLICY:

- All Mini campers must be potty trained and fully independent in the restroom. This includes being able to dress themselves before and after water days.

As in any group activity, the inappropriate behavior of a few children can spoil the experience for the entire group. Therefore, the following conduct policies apply directly to each camper.

Depending on the severity of the behavior and the number of times the behavior occurs, a child may:

- Lose the privilege of participation in a specific activity.
- Be suspended from the program for a specified amount of time.
- Be terminated from the program.

INAPPROPRIATE BEHAVIOR INCLUDES BUT IS NOT LIMITED TO:

- Intentionally and repeatedly going to unauthorized areas of the facility without permission.
 - Using foul language and being rude and discourteous to staff and peers.
 - Defacing camp property.
 - Refusing to follow basic rules of safety (This includes fighting or striking another camper or staff.)
 - Possession of weapons.
 - Any other behavior that is deemed inappropriate, dangerous or contrary to the best interest of the participants and staff.
- Inappropriate behavior shown by parents/guardians, including but not limited to excessive late pickups, foul language, displays of violence and suspicion of intoxication.

Suspension up to termination can occur IMMEDIATELY if the following inappropriate behavior is used:

- Harming another child or staff member
 - Fighting
 - Stealing
- Disrespect for MPACT property or others
 - Use of abusive/foul language
- Conduct or actions of sexual nature

We want every child to enjoy his/her experience at Camp MPACT. For this reason, we have initiated policies we feel are fair, easily complied with and benefit everyone involved. If a discipline problem arises, the parent will be notified the day of the incident. The second incident will result in the parent/ guardian being notified and called to set up a meeting with the counselor, camper and gym owner to set up a behavioral contract.

The third incident will result in program suspension for a time period specified by the owner. In the circumstance of extreme behavior the parent/guardian may be called to remove the camper on the first incident.

Note: There will be no refunds given for suspension or expulsion of camp.
